

New Mexico State Career Services Employment Extravaganza 2015

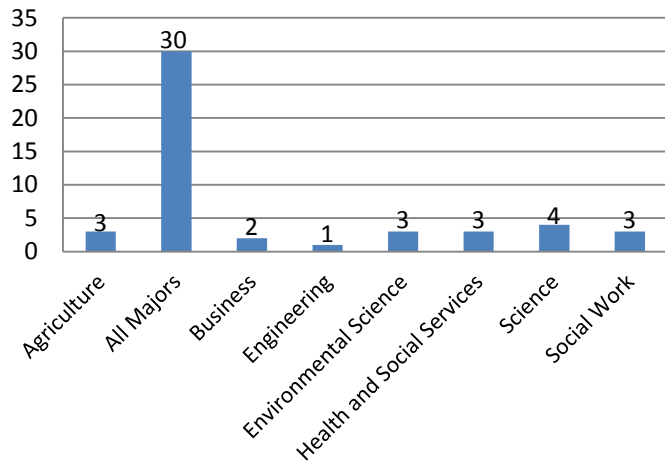

New Mexico State University Employment Extravaganza

Employment Extravaganza is an event that provides a forum for students of New Mexico State University to meet state and regional employers. This event addresses staffing requirements for internships, cooperative education positions, temporary appointments, and professional employment. . Employers benefit from their interaction with talented NMSU students and community members. This event is held each March and serves as the final general career fair of the academic year.
