Career Connections in the spring is a two-day career fair co-sponsored by Career Services and the College of Engineering. The focus of each day differs, with the first being for Business, Agriculture, Consumer and Environmental Science, Liberal Arts, and Health and Social Services. The second day is geared for majors in Engineering, Science and Technology. Employers also utilize NMSU Career Services to arrange for on-campus information sessions and interviews.

The Career Connections is open to all interested candidates from freshman through community members and guests. Business attire and resumes are encouraged for a professional presence. Learn about current employment opportunities for summer, co-op, internship or full-time employment. Discuss career plans and discover skills required from academics and other experiences which will enhance your selection for future opportunities.
