Employment Extravaganza 2016

New Mexico State University Employment Extravaganza

Employment Extravaganza 2016 is a venture to unite the students of New Mexico State University with employers in the state of New Mexico and regionally. Employers still addressing staffing requirements in the area of Internships, Cooperative Education, temporary summer work, or Professional Employment are invited to attend. This is the last general career fair of the academic year. Students can distribute resumes and learn about career opportunities for current and future positions. Freshmen through Alumni are invited to attend.
